

USA Swimming Account

The new USA Swimming app is now available! The app is available to download on both the Apple App Store and Google Play Store. You can also access your online USA Swimming account [HERE](#) Deck Pass and Deck Pass Plus is no longer supported.

Details on how to create an account can be found here [HERE](#)

The new USA Swimming app has an exciting list of new features, including:

- Easy access to your USA Swimming membership cards
- Integration with USA Swimming's Online Member Registration (OMR)
- Access to your new USA Swimming account dashboard
- Updated Find a Team search tool
- Access to event ticketing and live streams

How to access your swimmers times in the app:

Login – My Family – View – Under My Account – Times – Event Course (type in what stroke) a drop down will appear and select what event you want – Session (Final) – Choose the Season – Best Times Only (Yes or No) – Search For Times

If you do not know your swimmers new member ID # to link accounts feel free to email us at northamptonshbc@gmail.com

Meet Mobile App

The meet mobile app displays meet results in real time as data is received during meets from the timer (one heat at a time). This app has the ability to display heat sheets, psych sheets, records, team scores and time standards. This app is a free download however to maximize its use there is an annual fee of \$9.99
