Redner's 1% Save-A-Tape Program

Redner's is committed to supporting the community in which each Warehouse Market and Quick Shoppe is located through a variety of supportive partnerships and enrichment programs. We established our 1% Save-A-Tape program as a simple way in which your group can earn much needed funds for its mission. Annually, we donate hundreds of thousands of dollars to non-profit groups through this program.

Here's how it works:

Your group must be a charitable or non-profit organization. Each member must have get a Redner's Rewards / 1% Save-A-Tape card. Don't worry, we do not require any personal information to obtain a card!

By using your Redner's Rewards / 1% Save-A-Tape card each time you purchase merchandise at Redner's Warehouse Markets, your receipt will be designated as a 1% Save-A-Tape customer receipt. To expedite your 1% payment, we ask that you total all the 1% Save-A-Tape totals on your receipts. When you have accumulated enough tapes to receive a meaningful rebate, at least a \$50 rebate, please arrange them in an orderly fashion and give them to the manager on duty. Please be sure to include verification of your totals and the entire register/sales receipts. (Example of verification: calculator tape, computer print out, hand written summary etc.) They will then be verified and in approximately eight weeks you will receive a check for 1% of the total amount of the tapes submitted. In some states, items controlled by the government such as tax, milk and tobacco products are excluded.
